LETTER OF TRANSMITTAL

It is my duty and pleasure to submit to you the following report for the year ending December 31, 1971.

The whole-hearted effort of all reflects in the progress made throughout the municipality by the public this past year. I commend you for this effort. To achieve effectiveness all in the municipality must participate then we can not help but reach our goals.

The EMVTI boys planned and erected a shelter at the skating area for the pleasure of town skaters. Labor was free of cost to the town and materials were given as a gift for that purpose. We are hoping to landscape this coming year and make this area a summer as well as winter attraction.

The town is most fortunate to have its own ambulance service, those involved are to be congratulated. This is being made possible by many of our citizens working, studying and learning together. For the time being the operation of this service will be volunteer.

The Winterport Industrial Development Corporation invites all interested citizens to become a member.

You will read reports from all accounts and boards of your town government on the following pages of this, the 110th Annual Town Report of the Town of Winterport, as well as the auditor's report.

I wish to express my thanks to all dedicated Board members and the Citizens of the Town of Winterport for allowing me the opportunity and privilege of serving you this past year — also for the excellent cooperation that has been accorded me.

Respectfully submitted,

DOROTHEA M. McGURKIN,

Town Manager

COVER STORY

At a special town meeting held in September 1952, the Town of Winterport voted to build a new high school building at a cost of \$90,000.00. The building was to contain eight classrooms and be constructed so that an addition could be placed upon it if necessary. The people of the town voted unanimously to name the new school for Dr. Leroy H. Smith.

At the closing of school for the Christmas vacation, December 1953, students and faculty moved to the new building.

The growing pressures of increased enrollment in the elementary school resulted in the addition of two classrooms, an enlargement of the kitchen and the typing room and two restrooms in 1957.

Structural insecurity of the Grammar School and the immediate needs of costly renovations prompted the townspeople in 1965 to tuition our high school students to neighboring towns and to vote to convert the entire structure to an elementary school. The lower grades were transferred to the new structure upon the completion of a new wing of eight classrooms and a gymnasium which is named in honor of one of its benefactors, Lena Weed Sprowl.

Today the Smith School is one of the finest in this part of the State — twenty classrooms, a modern library, audio-visual equipment, a gymnasium and a cafeteria which supplies the needs of the entire student body.

HEALTH COUNCIL REPORT

President	ELEANOR R. CONDON
Vice President	JANE RANCOURT
Secretary	GLENDA PRESTON
Treasurer	BEATRICE RAYMOND

COMMITTEE CHAIRMEN

Child Health Conference	ALMA DOE
Ways and Means	ROWENA KINGSBURY
Publicity	ESTHER ELLINGWOOD
Education	MADELINE LOWE

The Winterport Health Council is a group of citizens who serve as volunteers to help educate the community towards supporting an adequate public health program. Also, to work and cooperate in every way with the Public Health Program.

During the year, we have held the usual number of well baby and immunization clinics for the pre-school children. These have been very well attended.

Mrs. Cora McLeod has resigned as chairman of the Child Health Conference and Mrs. Alma Doe has taken her place. All the records are with her for anyone who needs them.

This year it has again become necessary for us to ask for an appropriation from the town. This isn't as large as in past years as we no longer hold the school clinics. This is now taken care of by the School District.

We are very grateful for the donations to the sick room closet this year. Among the donors has been the Kelly Convalescent Home. They have donated a number of very useful items. Our thanks to them and to others who have given items to us.

In our sick room closet, we have: hospital beds, wheel chairs, walkers, crutches, vaporizers, commodes and other sick room supplies. These are on loan, free, to the residents of Winterport and should not be taken out of the town. All we ask is that they be returned when you are through with them so that someone else may use them. These things are stored at Harry Dann's and may be obtained by calling him or any member of the Health Council.

At this time I would like to thank Dr. Wagner and Constance Allen, R.N., for their assistance with our clinics. Also, I would like to thank the members of the Health Council for all the help they have so freely given this past year.

Respectfully submitted,

ELEANOR R. CONDON,

President,

Winterport Health Council

Maine State Department of Health and Welfare DIVISION OF PUBLIC HEALTH NURSING

PUBLIC HEALTH NURSE'S REPORT

For Year Ending December 31, 1971

The Division of Public Health Nursing continued to offer its services to townspeople during the 1971 calendar year. A brief summary of services given by the Division staff is presented in this report.

Family Nursing Services, to assist families to cope with health problems —

Activities	Number
Individuals visited	31
Direct visits	105
Supportive visits	43

Types of health problems included vision and hearing loss, cardiac and orthopedic conditions, and emotional problems.

Supportive visits were made to physicians, social workers, school personnel and other individuals to help resolve these problems.

Community Nursing Services, for the promotion of good health —

A

ctivities	Number
Health Council meetings	3
Planning conferences	6
Child Health Conferences	8
Children admitted	80
Physician Examinations	57
Referred for further care	3

T

Immunization Services, for the prevention of disease —

Type of Immunization	Number Immunized
DPT (diphtheria, whooping cough, tetanus)	
Complete Series	24
Booster	28
Polio	
Complete Series	20
Booster	26
Measles	22
German Measles (rubella)	30
Smallpox	19

Appreciation is extended to the Winterport Health Council and all others who assisted in carrying out the public health nursing program.

Respectfully submitted, $\mbox{CONSTANCE B. ALLEN, R.N.,}$

Public Health Nurse

WATER DISTRICT REPORT

Operation of the water system has been satisfactory during the past year. No major operational or mechanical problems were encountered. In March, 1971, Mr. Nelson Raymond was hired, on a part-time basis, to run the system. Many more or less minor repairs were made, and new water testing equipment was purchased to insure more accurate control of the water quality.

When the assets of the Winterport Water Company were purchased, they were paid for by issuing a bond for \$150,000. drawing 6% interest, which was purchased by Consumers Water Company. Another \$10,000. was borrowed from Merchants National Bank for operating capital. In November, we advertised for bids for new bonds; and on January 3rd, 1972, the Farmers Home Administration purchased our bond for \$160,000. at 5% interest, to run for 40 years. This allowed us to redeem our bond from the Consumers Water Company, and repay the bank loan.

The trustees wish to thank the users of water for their prompt payment of bills during the past year.

DONALD W. WESTON,
Chairman, Trustees,
Winterport Water District

SEWERAGE DISTRICT REPORT

The Winterport Sewerage District was incorporated on June 25th, 1971, and accepted by the Town on September 7th, 1971.

In September, 1971, an agreement was signed with the James W. Sewell Company of Old Town for design of the sewerage treatment facility and interceptor mains. On October 25th, 1971, a request was made to the Maine Environmental Improvement Commission for a grant under Title 38, Chapter 411, M.R.S., to help cover the design costs. This request was approved on November 22, 1971 in the amount of \$30,000. The James W. Sewell Company was then notified to proceed with the design. It is expected that the drawings will be completed by next summer, at which time requests for Federal and State funding shares can be made. Since the Town belongs to the Penobscot Valley Regional Planning Commission, we are entitled to receive 60% of the cost of the basic plant and interceptor main from the Federal government, and 25% from the State, for a total of 85% of the cost, less design costs, land etc.

One problem the trustees have faced is lack of capital to maintain the sewer and drainage system in town. Since the formation of the District occurred in June all expenditures after that date are the legal responsibility of the District. In order to reimburse the Town for expenditures made we borrowed \$5,000, for this purpose and as operating capital. In order to cover these maintenance costs for the next season, and miscellaneous operating expenses such as office costs, interest, and legal fees, we find it necessary to start a billing program, with the first billing on April 1, to cover the first quarter of 1972. For the first two or three billing periods we have estimated that \$1,000, each quarter will be sufficient to cover the costs. Since the Act creating the District says that billing will be on the basis of water used, the billing will be pro-rated among the water users, unless they cannot enter the sewer system in accordance with the Maine State Plumbing Code.

> DONALD W. WESTON, Chairman, Trustees, Winterport Sewerage District

LEROY H. SMITH SCHOOL

To the Citizens of Winterport:

It gives me great pleasure to present to the citizens of Winterport a summary on the operation of the Leroy H. Smith School in School Administrative District No. 22 for the school year 1971.

At the time of this report, the school enrollment was 489 students. A breakdown by grades is as follows:

Kindergarten -	<u> 41</u>	Grade 5—	48
Grade 1—	61	Grade 6—	49
Grade 2—	55	Grade 7—	61
Grade 3—	51	Grade 8—	57
Grade 4—	57	Special Education Class -	_ 9

The staff at the school continues to remain relatively stable. Mr. Peter Blood has replaced Mrs. Margaret Nelson, who retired at the end of the 1971 school year. Mr. Blood is teaching math in grades 7 and 8. Mr. Joseph Langenfeld has replaced Mrs. Sondra Loacker in grade 5. Mrs. Loacker resigned in February 1971, to return to Colorado with her husband. Mrs. Sibyl Mahoney, grade 1, returned to teaching after a year's leave of absence. Mrs. Kay Clark, presently on a year's leave of absence, has been replaced by Mrs. Eva Rochester in grade 4.

Other staff members, new to the school this past year and on a shared basis with the other schools in the district, are Mr. Jerry Bates for instrumental music instruction, Mr. and Mrs. Jerry Findlen for general music instruction, and Mr. Don Duplessie, elementary guidance.

Although there were no major curriculum changes this year, many of the present programs were expanded and some new educational approaches were put into practice.

Our physical education program under the direction of Mr. Charles Matthews has been expanded to include grades 1 through 8. The program is geared to meet the needs of all students and to develop good sound bodies and a sense of pride in physical fitness.

The art program, taught by Mrs. Charlene Barton, has been expanded to include grades seven and eight on a semester basis.

With the addition of an extra music teacher this year, we were able to offer music to grade 7 and to have a chorus for students in grades 6, 7 and 8. It is hoped that next year we will be able to offer music to the eighth grade as well.

Our guidance counselors continue to help those students who have serious educational and personal problems, along with working closely with teachers and parents to help those students who may have problems directly related to school.

The library, which was started a year ago, continues to improve. It has become a center of learning for all grades in the building, but it is quite evident that a much larger room will be needed if we are to continue meeting the needs of the student body. Student librarians, under the direction of Mrs. Nancy Parker, teacher aide, continue to help operate the library efficiently.

Two more teacher-aides were added to the staff with the addition of Title I funds. These aides, along with the present aides, work directly in the classrooms in the lower grades. Although this program has been in effect only a short time, I have already observed the asset they have become to the teachers and children in the classrooms they are in.

A "Helping Hands" program was established this year for children in the lower grades. By using students in the upper grades to work with children in the lower grades, under the teacher's supervision, many of these children now are receiving extra help, along with much needed individual attention. We are quite pleased with the results of this program. The students in the upper grades continue to represent the school and community in the highest tradition by excelling in our inter-school programs of basketball and baseball. As a member school of the Penobscot Valley Junior High League, our boys and girls were able to win the 1972 basketball league championship. The boys had a record of 12 wins and no losses, while the girls had 11 wins and 1 loss. The boys were also able to win the 1970 baseball championship.

I know the citizens extend their congratulations to the boys and girls on these teams, as well as to the coaches, Mr. Melvin Williams, Mr. Charles Matthews and Mr. William Holden.

Along with the inter-school program being offered, the school continues to offer a wide variety of other activities, such as a spring and fall music program, a science fair, dramatics, school yearbook, student council, dances, intra-mural sports, and clubs of student interest.

A great deal of work was done in and around the school during the summer. With a special youth work program offered to the district during the summer, much of the work was accomplished because of the extra labor force.

The halls of the old wing were completely painted and new fluorescent lighting was installed throughout the entire old wing. Several classrooms and part of the gym was also painted. In the rear of the new wing, a drainage ditch was put in to take care of the water build-up, which in the past has caused problems inside the building. The outside of the old wing was also painted during the summer.

It is only through the fine maintenance program we have in operation that our school will continue to serve the needs of the community and district, and prevent major costs in the future.

I would like to extend my appreciation to my staff, parents, students, and the citizens of the community for their continued support of their school and District No. 22.

In conclusion, I would like to stress the importance of full cooperation between the school and parents. It is only through this cooperation we will continue to be able to make a successful school experience for our children.

Respectfully submitted, $\mbox{JOSEPH R. WATSON}, \\ \mbox{Principal}$

FIRE DEPARTMENT REPORT

We, the Volunteer Fire Department members of Winterport, wish at this time to thank each and every one for their gracious time and help throughout this past year.

You, the parents, young people and organizations of the town have made it possible for us to obtain a great amount of equipment and purchase an ambulance without taking funds from the town. We will have ambulance service this coming year, with a twenty-four hour call set up for all. This has been accomplished by your help. Also, with your help, we hope to make this service a self-supporting one.

We're always open to suggestions and help, so please feel free to call. Thank you all.

Yours truly,

LEROY T. NELSON,

Your Fire Chief

CONSTABLES' REPORT

To the Citizens of the Town of Winterport:

We, the constables of the Town of Winterport, would like to extend our appreciation to the citizens for the cooperation that they have given us in the past year in helping us to make Winterport a safer and more secure place to live.

We have many problems to overcome, but none that understanding and cooperation cannot solve.

We want to thank the Maine State Police and the Waldo County Sheriff's Dept. for the help that they have extended to us.

The constables have averaged about 24 hours per week for the year 1971, patrolling, plus complaints. Mileage has averaged approximately 135 miles per week.

163 complaints were answered.

19 arrests were made.

Sincerely,

BERNARD M. SIMPSON,
WALLACE F. COOK, JR.,
PHILIP W. NORRIS,
Constables

AUDITOR'S REPORT

January 28, 1972

Board of Selectmen Winterport, Maine

Gentlemen:

In accordance with Volume 14, Title 30, Section 5253, Revised Statutes of 1964, an audit has been conducted of the financial records of the Town of Winterport for the fiscal year ended December 31, 1971.

The examination was made in accordance with generally accepted auditing standards and accordingly included such tests of the accounting records and such other procedures as were considered necessary in the circumstances. The audit was on a basis consistent with that of the preceding year.

The financial and statistical sections, incorporated in this report, present the results of the town's financial operations for the period indicated.

Respectfully submitted,

EARL E. RICHARDSON,
Public Accountant

COMMENTS

An audit of the financial records maintained by the Town of Winterport, Town Manager and other various town officers has been completed for the year ended December 31, 1971. The results are incorporated in the following texts, exhibits and schedules.

Assets:

The cash balance of \$82,074.28 was reconciled with statements furnished by the Merchants National Bank of Bangor, Maine and the Bangor Savings Bank of Bangor, Maine. Petty cash was counted and on hand at audit date.

Tax Receivables totaled \$51,700.01 as compared to \$53,440.60 for the previous year.

Tax mortgage liens of \$7,844.44 consisted of unpaid 1970 Tax liens.

Liabilities:

Unappropriated Surplus of \$112,639.47 showed an increase of \$2,145.86 over the preceding year. The change in unappropriated surplus is shown in exhibit C of this report.

Trust Funds:

Trust fund balances were on deposit in the Bangor Savings Bank and the Penobscot Savings Bank amounting to \$23,048.42, and \$143.01 carried in the General Fund.

Scope:

Count of cash was made and reconciled with current recorded receipts. The system of internal control was reviewed as pertained to the handling of cash and other matters of financial concern. External verifications were utilized, on a test basis, to determine the correctness of recorded assets.

An analysis was made of the treasurer's receipts and deposits as well as expenditures and bank charges. Vouchers, payrolls and cancelled checks supporting expenditures were checked for a selected period.

The records of the annual town meeting were reviewed and matters concerning finances were verified with the accounting records. Excise tax computations and collections were checked on a test basis. Bond coverage was examined.

Included in this report are exhibits and schedules pertaining to the financial status of the town. Audit procedures were followed to the extent deemed necessary to develop these statements.

It is believed, subject to the foregoing comments, that the accompanying statements and supporting information present fairly the financial position of the town at December 31, 1971 and the results of its operations for the year then ended.

WARRANT

STATE OF MAINE

COUNTY OF WALDO, ss.

To Bernard D. Simpson, a constable of the Town of Winterport, in the County of Waldo:

GREETINGS:

In the name of the State of Maine, you are hereby required to notify and warn the voters of the Town of Winterport, in said county, qualified by law to vote in town affairs, to meet at the Winterport Town Office building, in said town, on Monday, the 13th day of March, A.D., 1972, at ten o'clock in the forenoon, then and there to act on the following articles to wit:

- Art. 1. To choose a Moderator to preside at said meeting.
- Art. 2. To see if the Town will vote to adopt the following proposal, to wit: That upon completion of action in Article 3 of this Warrant, the Meeting will adjourn to meet at the Sproul-Weed Gymnasium at the LeRoy H. Smith School Tuesday, March 14, 1972 at 7:30 P.M., in the evening to act upon the remaining Articles in this Warrant.
- Art. 3. To choose by secret ballot, according to the Revised Statutes, two members of the Board of Selectmen, for a term of three years; one member of the Board of Assessors, for a term of three years; one member for the School Administrative District No. 22 School Directors; for a term of three years, and a Town Clerk for a term of one year.

The Polls will be open at ten o'clock in the forenoon and will close at eight o'clock in the evening.

Art. 4. To choose four members to serve on the Budget Committee for a term of three years.

Art. 5. To see what sum of money the Town will vote to raise or appropriate for salaries of the Selectmen, Assessors and Health Officer.

Budget Committee recommends \$1,935.00.

Art. 6. To see what sum of money the Town will vote to raise or appropriate for Administrative Town Expenses.

Budget Committee recommends \$8,500.00.

Art. 7. To see what sum of money the Town will vote to raise or appropriate for its Town-owned Fire Department.

Budget Committee recommends \$4,000.00.

Art. 8. To see what sum of money the Town will vote to raise or appropriate for equipment for the Town-owned Fire Department.

Budget Committee recommends \$600.00.

Art. 9. To see what sum of money the Town will vote to raise or appropriate for Street Lighting Service.

Budget Committee recommends \$4,000.00.

Art. 10. To see what sum of money the Town will vote to raise or appropriate for the Hydrant Rental.

Budget Committee recommends \$7,870.00.

Art. 11. To see what sum of money the Town will vote to raise or appropriate for the Law Enforcement Protection.

Budget Committee recommends \$3,500.00.

Art. 12. To see what sum of money the Town will vote to raise or appropriate for Workmen's Compensation Insurance on employees that are employed by the Town.

Budget Committee recommends \$700.00.

Art. 13. To see what sum of money the Town will vote to raise or appropriate for its share of the cost of the Social Security Plan.

Budget Committee recommends \$500.00.

Art. 14. To see what sum of money the Town will vote to raise or appropriate for the maintenance of the Town Dump.

Budget Committee recommends \$800.00.

Art. 15. To see what sum of money the Town will vote to raise or appropriate for the maintenance of Streets, Sidewalks, Highways, and Bridges.

Budget Committee recommends \$ 3,000.00 from Excise \$10,000.00 from Taxation

Art. 16. To see what sum of money the Town will vote to raise or appropriate for Snow Removal and Sanding.

Budget Committee recommends \$20,000.00 from Excise.

Art. 17. To see what sum of money the Town will vote to raise or appropriate for Snow Removal and Sanding Equipment.

Budget Committee recommends \$1,000.00 from Excise.

Art. 18. To see what sum of money the Town will vote to raise or appropriate for State Aid Construction in addition to the amounts regularly raised for the care of Ways, Highways and Bridges, under the provisions of Title 23, M.R.S.A., Sections 1101, 1103, or 1104.

Budget Committee recommends \$1,728.00 from Excise.

Art. 19. To see what sum of money the Town will vote to raise or appropriate for relief of Town Poor.

Budget Committee recommends \$2,000.00.

Art. 20. To see if the Town will vote to raise or appropriate \$400.00 said sum to be paid to the Mid-Coast Home Health Agency for home nursing visits to all eligible people.

Budget Committee recommends \$400.00.

Art. 21. To see what sum of money the Town will vote to raise or appropriate for medical fees and supplies to be expended under the supervision of the Winterport Health Council.

Budget Committee recommends \$250.00.

Art. 22. To see what sum of money the Town will vote to raise or appropriate for the Planning Board.

Budget Committee recommends \$500.00.

Art. 23. To see what sum of money the Town will vote to raise or appropriate for Memorial Purposes.

Budget Committee recommends \$125.00.

Art. 24. To see what sum of money the Town will vote to raise or appropriate for maintenance of Town Cemeteries.

Budget Committee recommends \$500.00.

Art. 25. To see what sum of money the Town will vote to raise or appropriate for Parks, this amount to be expended on maintenance of Abbott Park and the Ice Skating area.

Budget Committee recommends \$150.00.

Art. 26. To see what sum of money the Town will vote to raise or appropriate for care and maintenance of Oak Hill Cemetery, said sum to be expended by Oak Hill Cemetery Association.

Budget Committee recommends \$600.00.

Art. 27. To see if the Town will vote to earmark the snow-mobile excise tax refund from the Maine Inland Fish and Game Department to be used as a Snowmobile Recreation Fund. Expenditures from this fund to be administered under the supervision of the Board of Selectmen by a committee of five members, two members to be appointed by the Snowmobile Club of Winterport and three members to be appointed by the Board of Selectmen of the Town of Winterport.

Presented by petition.

Art. 28. To see if the Town will vote to appropriate the sum of \$600. to cooperate with the Maine Forest Service and Federal Government in the control of white pine blister rust, in accordance with Title 12, M.R.S.A., Chapter 213, Subchapter IV.

Art. 29. To see whether or not the Town will vote to raise and appropriate the sum of \$195.00 to be paid to the State of Maine Publicity Bureau to be expended and used for advertising the natural resources, advantages and attractions of the State of Maine in accordance with the provisions of Chapter 91, Section 108, of the Revised Statutes of 1954.

Art. 30. To see if the Town will vote to raise or appropriate the sum of \$1,500.00 for the Winterport Free Library.

Budget Committee recommends \$1,500.00.

Art. 31. To see what sum of money the Town will vote to raise or appropriate for the prevention and spread of Dutch Elm Disease.

Budget Committee recommends \$1,000.00.

Art. 32. To see what sum of money the Town will vote to raise and appropriate for Civil Defense.

Budget Committee recommends \$300.00.

Art. 33. To see what sum of money the Town will vote to raise or appropriate for discount of 1972 taxes.

Budget Committee recommends \$2,500.00.

Art. 34. To see if the Town will vote to give a discount for prompt payment of taxes; to fix the rate of discount and the time when discount shall cease.

Art. 35. To see if the Town will fix a date when taxes shall be due and payable and to see if the Town will fix a rate of interest to be charged on taxes unpaid after said date.

- Art. 36. To see if the Town will authorize the Selectmen, in behalf of the Town, to sell and dispose of any real estate acquired by the Town for non-payment of taxes thereon, on such terms as they may deem advisable, and to execute deeds for such property.
- Art. 37. To see if the Town will vote to authorize the Selectmen, on behalf of the Town, to appoint any and all necessary Town Officers required by law, and not chosen by voters at annual Town Meeting.
- Art. 38. To seeif the Town will vote to allow the Selectmen or (the Town Manager, with the full agreement of the Selectmen) to anticipate monies for the completion necessary to accomplish State Aid Road Construction under way.

The Registrar of Voters or Deputy Registrar of Voters will be in the Town Office on March 6th, 7th, 8th, 9th, and 10th from 9:00 A.M. to 5:00 P.M.

Given under our hands, this day of March, A.D., 1972.

COVER STORY

There seems to be no record of when the building which now houses the town office was built.

On a map printed in 1855, both this building and that formerly housing the high school, are shown. A pencilled note in an old town report states that the building used for the high school was built in the summer of 1855 at a total cost of \$3,453.10. Both buildings were much alike and both were used to accommodate the primary children on the first floor and the older children on the floor above.

As early as 1880 the Superintendent of schools was advocating obtaining a lot near the center of town on which to build a school which would be large enough for all the children in the village.

There seemed to have been little change in the building until in 1916 the lower floor was partitioned to form two rooms. Two years later this partition was taken down and a lengthwise partition took its place.

The population continuing to increase, more classrooms were needed. In 1933-34 additions and alterations were made to make a building with six classrooms, the work being done under a Civil Works Administration Project with no cost to the town.

These six rooms were in constant use until in December 1966 it was declared unsafe. It was immediately repaired and made structurally safe but more room was needed.

In 1967 an addition was made to the L.H. Smith school making it possible to house all the pupils in town in one building for the first time.

For a time the building on School Street was idle but the Selectmen found a new use for it by moving the town offices there. It also has a room which is more convenient for the assessors.

The room on the North has been used as a poling place for the last few elections.

The upper floor is in use as a meeting place for Boy Scout Troops. No matter when it was built – it is still a very useful and busy place.

LETTER OF TRANSMITTAL

It is my duty and pleasure to submit to you the following report for the year ending December 31, 1973.

Many sincere and dedicated people have worked together to aid this Town of yours — some as volunteers. I personally hope it is being appreciated for all efforts, large or small, are necessary to keep up with the growth and changes and reach any goal; and our goals should be simply to work together and give of our different knowledges and skills to make this a better Town for all. Much has been accomplished and hopefully more will be done.

You will read reports from all accounts and boards of your Town government on the following pages of this the 111th Annual Town Report of the Town of Winterport, as well as the auditors report.

I wish to express my gratitude to my Board members and the Citizens of the Town of Winterport for allowing me the opportunity of serving you this past year — also for excellent cooperation.

Respectfully submitted,

Dorothea M. McGurkin Town Manager

HEALTH COUNCIL REPORT

President	 	ELEANOR CONDON
Vice - President	 	JANE RANCOURT
Secretary	 	GLENDA PRESTON
Treasurer	 	BEATRICE RAYMOND

The Winterport Health Council is a group of women who volunteer their time and energy to help educate the town in supporting a public health program. We also cooperate with the State Public Health Program.

During the year the usual well baby and immunization clinics have been held. During the summer a special clinic was held for the purpose of immunizing the younger children against German Measles.

This fall, we have been assisting Constance Allen R.N. in conducting Lead poisoning Clinics.

As in the past, all our clinics have been well attended. Testifying to the fact that the people of Winterport are health conscious.

I have been acting as Child Health Chairman this year and all records are with me for the pre-school children.

We have maintained our Sick Room Closet this year. There have been several items donated for which we want to extend our thanks. All of these items are on loan to any resident of Winterport and all we ask is that they not be taken out of town and that they be returned when people are through with them so that others may have them should the need arise. These are kept at the home of Harry Dann and may be obtained by calling him or any member of the Health Council.

I would like to thank Dr. Wagner and Constance Allen R.N. for all their help this past year. Also many thanks for all the help that the Members of the Health Council have given me. Sometimes this has been

on rather short notice and it certainly has been appreciated.

A special thanks from us all to Mrs. Norma Simard who has volunteered her time to help with the Lead poisoning clinics.

Many thanks to the Methodist Church and to the Catholic Church for allowing us to hold our clinics in their Vestry and Columbian Hall. It is hard to find a suitable place and we appreciate being able to use these places.

Respectfully submitted, ELEANOR CONDON President Winterport Health Council

WATER DISTRICT REPORT

During the past year no major problems have been experienced with the water supply or the distribution system. Several improvements have been made, including replacement of a defective hydrant on Washington Street, and installation of a new meter at the plant to record total water produced. The old meter had become very undependable so we could not accurately determine the amount of water produced. Piping has been rearranged in the plant to allow space for the new meter and the old meter pit outside the plant eliminated.

Many joints had opened up in the brickwork of the plant, particularly around the foundation. These have been pointed up and mader watertight.

The District has started a project to install meters for those customers not now having them and we expect to have every one metered, in accordance with Public Utility Commission regulations before the end of the year.

Regular meetings of the District Trustees are held at 7:30 p.m. on the 3rd Monday of each month at the Town Office.

DONALD W. WESTON
Chairman, Trustees
Winterport, Water District

SEWERAGE DISTRICT REPORT

The District has experienced many problems with the sewer system during the past year. Most of the sewers in town are too small and lack of manholes prevents proper cleaning.

We initiated a project to sewer Lebonon Road between Oak Street and Whig Street. However after delays in obtaining the necessary approvals from the State matching funds were not made available from Farmers Home Administration, forcing us to hold the project temporarily in abeyance.

Construction plans for the Sewage Treatment Plant were completed in January by the James W. Sewall Company and are now being reviewed by the Department of Environmental Protection in Augusta. Still to be accomplished are the obtaining of a waste discharge license, permission from the Army Corps of Engineers to construct the plant since the outfall will be into the Penobscot River, navegatable waters, and since the outfall will cross a tide flat a wet lands control hearing must be held.

It is hoped that the State will make available their share of the funds for construction to start early in Fy 74.

Regular meetings of the District Trustees are held at 8:30 p.m. on the 3rd Monday of each month at the Town Office.

DONALD W. WESTON

LEROY H. SMITH SCHOOL

To the Citizens of the Town of Winterport:

It again gives me a great pleasure to report to the citizens of Winterport a summary on the operations of the Leroy H. Smith School in School Administrative District No. 22 for the school year 1972.

The student enrollment at the time of this report is 469. This figure is slightly less than last year. The enrollment by grades is as follows:

Kindergarten-	49	Grade 5—	57
Grade 1-	43	Grade 6—	45
Grade 2-	- 58	Grade 7—	49
Grade 3—	50	Grade 8-	57
Grade 4—	48	Special Class—	13

I am sorry to report that the small turnover of teachers in past years did not hold true this year. Almost a third of the teachers are new this year.

Mrs. Rebecca Mailloux replaced Mrs. Irene Tuttle in the second grade. Mrs. Tuttle retired at the end of the 1971-72 school year. Miss Brenda Morrison was hired to replace Mrs. Eva Rochester in the fourth grade. Mrs. Rochester was filling in for Mrs. Kay Clark while she was on a year's leave of absence. Due to her husband's new job out of state, she was unable to return this year. Mr. Philip Downs was hired to teach grade five. Mr. Joseph Langenfeld resigned during the summer to further his education. Mr. William Holden resigned to accept a position at Rockland High School in the science department. Mr. Holden was replaced by Mr. Brian Buck for seventh and eighth grade science. Mr. Peter Blood returned to his home town to teach and was replaced by Mr. Lawrence Cole to teach seventh and eighth grade math.

Mrs. Marilyn Potter returned to her teaching duties in grade six after leaving at the half year to complete her degree requirement at Husson College. Mrs. Hope Bates, who had filled in for Mrs. Potter, accepted a

fourth grade position at the Weatherbee School in Hampden.

Mrs. Nancy Ruark, special education, resigned at the end of the year due to her husband's acceptance of a job in the Maine State Department of Education. Miss Cindy Martin was hired to replace Mrs. Ruark, but she resigned in December to go abroad. Her successor was Mr. Theo Bragdon.

Through a change in the District's guidance program, a counselor was assigned directly to the Smith School and Newburgh School. Mrs.

Josephine Morey was hired to fill this position, with her base of operations being at the Smith School. Hopefully, with more counselor time at the school, we will be able to provide better services for the students and parents.

Our library continues to be the center of activity within the school for all grades. It continues to improve each year. The library presently houses all the library books for grades I through 8, along with audio-visual materials, reference materials, and professional materials. The library also houses some historical items pertinent to the history of the community.

The school was very fortunate to receive from Mr. Hulbert W. Tripp of New York a generous sum of money to be used in purchasing materials for the library at school. The community and school should be extremely pleased that Mr. Tripp shows such a great interest in our school and community.

The students in the upper grades continue to do the school and community proud. They have shown great sportsmanship and athletic prowess in our inter-school sports program.

Both the boys and girls basketball teams captured the Penobscot Valley Junior High League's basketball honors. They not only captured the league title, but the tournament as well for the 1971-1972 season. They were also able to capture the baseball and softball division title at the end of the 1972 school year.

Not to be done by athletics, the student body continues to publish one of the outstanding elementary junior high yearbooks in the state. They have put on two one-acts plays, a public speaking performance, and numerous other programs for the community during the school year.

Although these are valuable experiences for our youth, there is no greater experience for these young people than to see that the citizens of the community support their efforts.

There were no major changes in our educational program this year. Our testing program continues to indicate our students are equal or better academically with other schools in the United States.

The only new program added to the curriculum was an enrichment program. This program affords the students an opportunity to learn about other things not offered in the regular curriculum. Some of the programs have been an introduction to Greek, speed reading, beginning knitting, shorthand, odds and ends craft, and many others. Although the program is on a trial basis, it has already received the support of the students and parents.

There were no major changes this year within the building other than general maintenance, which continues to keep your school in the fine condition that it is in.

Major undertaking took place on the outside, with the roof of the "old wing" being reshingled and the parking lot being graded and resurfaced with blue rock. Both of these projects should make the maintaining of the inside of the building easier, as well as less costly.

I would like to again extend my appreciation to my staff, students, and the citizens of the community for their continuing support in the operation of their school and District No. 22.

Respectfully submitted, JOSEPH R. WATSON, Principal

FIRE DEPARTMENT REPORT

I wish to take this opportunity to thank each and every one of you for your help throughout this past year. We have come a great way and have a great department which could not be done without your help. Of course, there is no department without mistakes and troubles, and we sure had our's this past year. We have had to buy new hose again and this is the second time this year, 500 feet-2½" hose and 300 feet-1½" hose. Our furnace came to an abrupt stop one morning as you all know and we had to have a new one in its place, one that can be transferred if necessary. Our pumps have given us a little problem but we believe that all are in shape now with the help of our mechanics.

Our fire report for the past year is as follows:

24-grass fires, 1-car fire, 1-trailer fire, 5-house fires, 1-stove fire, also we had to pump out 2-cellars, 2-wells, flush 1-culvert, and fill 3-septic tanks. We carried 4400 gals of water to a nearby chicken farm. We also burnt down 2-old buildings as fire drills.

Thank you LEROY T. NELSON, Fire Chief

Volunteer Ambulance Service

To The Citizens of Winterport:

The first year of the Winterport Volunteer Ambulance Service was rewarding to the members. The members extend their appreciation to the towns people for supporting their efforts in organizing an effective ambulance service.

The Service has 21 State of Maine licensed attendants who volunteer their time willingly to the needs of the sick and injured. Your support is needed to continue this volunteer service. The purchase of coveralls for each member of the service was the only renumeration for the many hours donated.

Again, we want to thank you for all your support.

AUDITOR'S REPORT

January 26, 1973

Board of Selectmen

Winterport, Maine

Gentlemen:

In accordance with Volume 14, Title 30, Section 5253, Revised Statutes of 1964, an audit has been conducted of the financial records of the Town of Winterport for the fiscal year ended December 31, 1972.

The examination was made in accordance with generally accepted auditing standards and accordingly included such tests of the accounting records and such other procedures as were considered necessary in the circumstances. The audit was on a basis consistent with that of the preceding year.

The financial and statistical sections, incorporated in this report, present the results of the Town's financial operations for the period indicated.

Respectfully submitted, EARL E. RICHARDSON Public Accountant

COMMENTS

TOWN OF WINTERPORT

For The Year Ended
December 31, 1972

An audit of the financial records maintained by the Town Manager, Selectmen, Assessors, and other town officers has been completed for the year ended December 31, 1972. The results are incorporated in the following texts, exhibits and schedules.

Assets:

The cash balance was reconciled with statements furnished by the Merchants National Bank and the Bangor Savings Bank of Bangor, Maine. The cash balance of \$129,947.94 was made up of \$71,773.39 in Demand Deposits, \$28,529.55 in Time Deposits, \$29,345.00 in a Savings Certificate and petty cash on hand of \$300.00.

Uncollected taxes totaled \$55,996.06 of which \$46,358.10 were 1972 uncollected taxes.

Tax mortgage liens of \$8,809.89 were unpaid at year end.

Liabilities and Surplus:

Liabilities consist of \$25.46 due to Trust Fund and \$6.00 for duplicate payment of poll taxes.

Unappropriated surplus showed a decrease of \$186.44 for the current year.

Recommendations:

Tax discounts as authorized by the Town Meeting should be granted on all Personal and Real property. If the authorization is intended only for Real estate the article should be clearly worded to show the intent of the voters.

Supplemental taxes should be assessed and committed to the Tax Collector by the assessors, with a certificate and warrant.

Scope:

Count of cash was made and reconciled with current recorded receipts. The system of internal control was reviewed as pertained to the handling of cash and other matters of financial concern. External verifications were utilized, on a test basis, to determine the correctness of recorded assets.

An analysis was made of the treasurer's receipts and deposits as well as expenditures and bank charges. Vouchers, payrolls and cancelled checks supporting expenditures were checked for a selected period.

The records of the annual town meeting were reviewed and matters concerning finances were verified with the accounting records. Excise tax computations and collections were checked on a test basis. Bond coverage was examined.

Included in this report are exhibits and schedules pertaining to the financial status of the town. Audit procedures were followed to the extent deemed necessary to develop these statements.

It is believed, subject to the foregoing comments, that the accompanying statements and supporting information present fairly the financial position of the town at December 31, 1972 and the results of its operations for the year then ended.
